      RE: "Filing Received 1/29/2013"

Dear Mr. Garr:

      This responds to your letter dated February 15, 2013 regarding the Request for Additional Information ("RFAI") response filed by Americans for Prosperity ("AFP") on January 29, 2013 concerning AFP's October 2012 quarterly report.

      This letter incorporates by reference AFP's January 29 response, which is also enclosed, and which is also accessible on the Federal Election Commission's website at:

      http://images.nictusa.com/pdf/562/13031030562/13031030562.pdf.

      Your February 15 letter indicates AFP's "paper filing received 1/29/2013 will not be considered an Amended 2012 October Quarterly Report (7/1/12-9/30/12). To amend your report, you must submit it in an electronic format."

      For the reasons set forth in AFP's January 29 response, no amendment to the October Quarterly Report was necessary, nor was AFP's response to the Reports Analysis Division's RFAI intended as an amended report.

      It is unclear from the February 15 letter whether it implies AFP has not properly amended the report at issue. However, in furtherance of the agency's mission of transparency and promoting public understanding of the federal campaign finance laws, we respectfully request that the agency remove this letter from its website, as it may mislead members of the public into believing that some corrective action is being requested of AFP when, in fact, no such action is required:
